d. No visitors shall be introduced under this rule on Saturdays, Sundays or legal holidays, except in the months of July and August, or on any day when the House Committee shall suspend this rule by notice posted not less than twenty-four hours in advance.

11. No member shall have more than one guest introduced as a visitor at any one time.

12. The privileges of visitors may be terminated at the discretion of the House Committee.

13. Residents of the City calling on members or visitors shall be admitted to the Strangers' Room only.

RULES OF
THE COMMITTEE ON ADMISSIONS

The attention of members is called to the following Rules of the Committee on Admissions, as recently amended:

RULE V.—A stated meeting of the Committee shall be held on the first Wednesday evening of each month, except the months of July, August and September. The hour of such meeting, unless otherwise determined by the Committee, shall be half-past eight o'clock.

CANDIDATES FOR ADMISSION

RULE X.—Candidates may be proposed for membership at any time after they have matriculated in regular course at a College or University conferring degrees to obtain which at least three years' residence and study are required.

The proposer and seconder of each candidate shall sign a blank form to be supplied by the Committee on Admissions and state the full name, residence, place of business, and profession or occupation of the candidate, the name of the College or University from which he was graduated or at which he is a student, the year of his graduation, past or prospective, and the degree received or to be received by him. If the candidate holds a degree they shall also state the number of years he actually spent as a student in residence at the College or University conferring it, and if while studying for a degree he was in residence at more than one, the names of and length of residence at each.

If the eligibility of the candidate depend upon an honorary degree, the fact that the degree is honorary, and the year when conferred, shall be stated.

The signed form shall be filed with the Committee, and if in proper order, the candidate shall be immediately posted. If not in proper order, it shall be returned for correction and the candidate shall not be posted until the correction is made.

A member desiring to be substituted in place of an original proposer or seconder, may authorize the Secretary of the Committee to sign his name as such on the filed form, provided the authorization is made in writing and states the reasons for the proposed change. A copy of the form as altered shall be sent to the substitute.

Letters of recommendation shall also be required from the proposer and seconder.

Further letters respecting the candidate are requested from other members of the Club.

No candidate undergraduate at date of posting shall be elected until his proposer or seconder shall have notified the committee in writing of the conferring of the degree, its title, its date and the number of years he actually spent as a student in residence at the College or University conferring it, and if, while studying for a degree, he was in residence at more than one, the names of, and length of residence at each. If an undergraduate candidate shall fail to receive his degree, his proposer or seconder shall notify the Committee to that effect in writing and his name shall be stricken from the list.

RULE XI.—At each meeting the Committee shall take up for election the names of candidates who have been duly posted, beginning at the top of the list. Preferences, however, may be given to a candidate of special distinction, or, for special reasons, to a candidate who has held the degree which renders him eligible for election for at least twenty-

five years, provided that such preference shall have been granted at a previous regular meeting of the Committee by the unanimous vote of the members present. The name of a candidate to whom such preference is granted shall forthwith be specially posted, and may be voted upon at any subsequent regular meeting. Not more than ten candidates thus preferred shall be elected during any one calendar year.

When the name of any candidate shall be reached for consideration, if it then appear that no letter has been received from the proposer or seconder, or that the candidate is not personally known to the number of members of the Committee present required by Rule XIX, or that there is insufficient information before the Committee for final action upon the candidate, the name shall be passed and the proposer and seconder immediately notified that when the name shall be again reached for consideration if the necessary requirements under the rules of the Committee have not been complied with, or if the information before the Committee respecting the candidate is still insufficient, the name will be rejected, unless special considerations are brought to the attention of the Committee, when, upon vote, the name may be again passed, or removed to the foot of the list, or transferred to the special list.

The Committee, may on the written request of the proposer or seconder of a candidate, and when the name is reached in regular order, place it at the foot of the list, or set it back any number of names not less than fifty. When the name is again reached, no further postponement shall be granted unless sufficient reason is shown for transferring it to the special list. This provision shall not apply to names which have been moved to the foot prior to March 8, 1917, and to which no further postponement shall be granted.

If a candidate other than the holder of an honorary de-

gree shall reach the head of the list before the expiration of three years from the date of receiving his degree, he shall automatically move to the special list until the three years shall expire, when he shall automatically return to the head of the list from which he moved, and thereafter, all other provisions of this rule shall apply to his name.

RULE XII.—The President of any University or College, the degrees conferred by which qualify a candidate for election to membership in the University Club, shall be entitled to a preference.

The names of candidates who have previously been members of the Club, and have resigned in good standing, shall be entitled to a preference and shall be especially posted as such.

The name of an Army or Navy candidate who is in active service, or of a candidate who is a member of the diplomatic corps or consular service of a foreign government accredited to this country may be considered at any meeting upon special vote of the Committee.

RULE XIII.—All Army and Navy candidates shall be placed on a special list, to which may also be transferred on vote of the Committee all candidates on whose behalf an indefinite postponement shall be requested; and names on said list, other than Army and Navy candidates, shall be considered only on motion of a member, at any time after such name would have been reached in regular order if it had been retained on the regular list.

RULE XVIII.—A candidate for Non-resident membership shall not be considered by the Committee unless a letter respecting his candidacy has been received from a Resident member of the Club.

Rule XIX.—Candidates for Resident membership must be personally known to at least three members, and candidates for Non-resident membership must be personally known to at least one member of the Committee present.

Rule XX.—The name of a candidate who has been duly proposed and seconded shall be immediately posted although the degree held by him or for which he is a candidate shall not have been approved by the Council and although three years shall not have elapsed since his graduation.

Rogers H. Bacon,
Secretary, Committee on Admissions.

RESOLUTION OF THE COUNCIL

Passed March 13, 1899

No member of the Council shall hereafter propose or second a candidate for membership in the Club, nor write any letters in relation to any candidate proposed.

COLLEGES AND DEGREES

List of degrees of Universities and Colleges qualifying the holders for membership, as determined by the Council. This list is subject to amendment by the withdrawal of the names of any of the Universities or Colleges or Degrees contained in it, or by the addition of others, as the Council may from time to time determine (Article VIII, Section 3, of the Constitution).

Members proposing a candidate who is the holder of a degree not included in this list are required to file with the signed form of proposal full and detailed information as to the requirements of study and residence for the degree on which qualification is based, and particularly as to such requirements at the time the candidate received his degree.

THE LIBRARY

REPORT FOR THE YEAR

From March 1, 1916, to February 28, 1917

The number of volumes in use on Feb. 28, 1917, was: 33,929; 2,062 volumes were added, and 142 volumes discarded by action of the Library Committee as of no further value to the Library, making a total increase of 1,920 volumes. Of the new accessions 811 were received by gift, and 1,200 by purchase at the cost of $3,238.18. The remaining 51 volumes added consist of current periodicals bound by the Club. The original cost of the periodicals is included in last year's expense account.

The growth of the Library during the past twenty years is shown by the following summary:

The last column of the foregoing table includes, an outlay of $166.40 for binding and rebinding.

The total running expenses of the Library, exclusive of salaries, were:

Books and binding	3,404.58
Periodicals (227) and out of town newspapers (22)	1,085.60
Miscellaneous	275.49
Total	$4,765.67

The cataloguing has been brought up to date. The cards printed and issued by the Library of Congress are used so far as possible. The Library has the Annual Reports of Smithsonian Institution, 1846 to date, and of the National Museum, 1882 to date (95 vols. altogether), and the analy-

tic cards to these reports, issued by the Library of Congress, have been purchased, about five thousand in number. Their addition to the card catalogue renders these great collections of scientific articles and treatises for the first time available.

Members of the Club may have the opportunity of purchasing discarded books at 25 cents a volume. Such books must be tied up in packages by one of the Assistant Librarians before being removed from the Club House, and each volume must be stamped "Discarded."

The Library has on hand, either in bound volumes or filed for reference, over 150 sets of periodicals, though not all of them are complete. The rule now adopted is to retain for binding or filing all that are indexed in Poole's and Wilson's indexes, accepting, so far as it goes, the judgment of the index-makers on the question of permanent values. In general the intention is, because of their bulk, to keep these indexed sets of periodicals in the Store Room, which is above the Writing Room and was formerly used as a Card Room. The indexes are all kept together in the West Room.

About 35 unindexed periodicals are also permanently retained. All other periodicals coming into the Club are kept on file not less than six months, but at the end of June and December of each year, such periodicals, up to six months previous, are discarded.

The New York newspapers are held for reference for six months back from the current date, and a duplicate file running five weeks back is kept for clipping purposes. The file of the London Times dates from 1899, the New York Tribune, bound, from 1861 to 1913 inclusive. Since 1914 the New York Times has been substituted for the Tribune, for the reason that the Tribune has discontinued its Index since 1906, and the Times now issues both Index and

monthly bound volumes of the paper. The following out-of-town newspapers, subscribed for, are held for five weeks back.

Albany Knickerbocker Press—Atlanta Constitution—Baltimore Sun—Boston Transcript—Chicago Tribune—Hartford Courant—Indianapolis News—London Daily Mail—Louisville Courier-Journal—New Haven Journal-Courier—New Haven Register—New Orleans Times-Picayune—Paris Figaro—Paris Temps—Philadelphia Public Ledger—Portland Oregonian—Providence Journal—St. Louis Globe-Democrat—San Francisco Chronicle—Springfield Republican—Washington Post.

The demand for novels and other books of ephemeral character will continue to be supplied through a subscription library. The regular deliveries are made on Mondays. Single volumes can usually be obtained from the New York Society Library within a few hours. Orders for books should be left with the Assistant Librarian.

The current issues of the catalogues of American and foreign booksellers and publishers are kept on file.

Members using the Library for investigation and study have the privilege of drawing on the resources of the Columbia University Library and the collections of many university and other libraries. Requests for books under the above arrangement must be made through the Librarian of the Club.

Lock boxes in the Writing Room, built for the accommodation of private papers, manuscripts, and books, are rented to members at the rate of 25 cents a month. Private shelves are reserved in the West Room for the same uses.

The Club is desirous of obtaining copies of the Club Annual for 1865, 1867, May 1879, June 1879, January 1880 and December 1881, to complete its duplicate files. Any

member possessing the Annual for one or more of these years would confer a favor on the Committee by donating the same to the Library.

The largest gift in the history of the University Club has been received for the benefit of the Library from our fellow-member, Mr. A. Barton Hepburn (Middlebury '71), who has presented securities of a market value of about $55,900, which will yield an annual income of $2,600. This income, with the usual appropriation which the Club has generously allotted in the past years, will give us to spend for books and bindings in the coming year approximately $6,000. This is exclusive of the amount which is allotted for periodicals and newspapers. The gift secures the permanent leadership of the University Club Library among all similar libraries in this country.

Another important gift is the Library of Economics and Finance (632 vols. and 107 pamphlets) of the late Horace White (Beloit '53), received from his daughters and heirs in recognition of his membership and appreciation of the Club for more than thirty-five years. A full list of the books is printed in the Library Bulletin, p. 68.

Attention is called to the following as among the more considerable additions of the year:

Hakluyt Society publications, 134 vols.
Books on the European War, 128 vols.
Miscellaneous works on the Panama Canal, gift of Joseph B. Bishop, 28 vols.
